BIO

SEEKWL is a San Diego–based DJ bringing a playful, high-energy twist to bounce and eurotrance. Inspired by artists like Funk Tribu, Marlon Hoffstadt, and Adrian Mills, SEEKWL blends euphoric melodies with bouncy basslines to create sets that are as fun as they are energetic.

A SEEKWL signature is adding unexpected throwbacks and silly edits that bring a little nostalgia and humor to the dancefloor. Whether he's leaning into harder, bouncier sounds or more melodic, feel-good moments, his goal is always the same: keep people dancing, smiling, and having a good time.
