ABOUT SEEKWL

SEEKWL is a San Diego–based DJ creating fun-forward sets that live between bounce, trance, and eurodance. Influenced by artists like Funk Tribu, Marlon Hoffstadt, and DJ Heartstring, SEEKWL blends emotional melodies and bouncy basslines into a sound that feels both euphoric and welcoming. This results in the kind of energy that keeps people smiling long after the music ends.

PERFORMANCE EXPERIENCE

Festivals

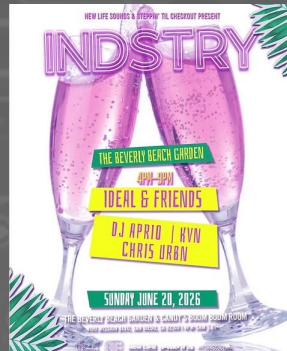

- **San Diego PRIDE Festival (Trance/Bounce)**

Afters

- **Be Yourself (Tech House):** Presented by New Life Sounds and Stepping Till Checkout
- **Kiki Factory Afters (Tech House).** Presented by Afternoon Umbrella Friends and Steeped in Sound (SiS)
- **Afters Opening Set (Tech House):** Life After Sunset during Into the Horizon. Presented by *New Life Sounds*, *Trancesessions*, and *Steppin Till Checkout*.

- **Bar Events (Tech House)** – Sunday daytime sets at *Beverly Beach Garden*

FEATURED MIXES

Golden Hour Trance

A melodic, uplifting trance mix filled with euphoric vocals, shimmering synths, and steady forward momentum

Latrance and Labounce

Latino Trance and Bounce. Including a collection of cumbia, merengue, and reggaeton-inspired edits.

Y2K Hard Bounce

High-energy Y2K-inspired mix packed with 2000s edits, video game references, and iconic throwback vocals

Tech House Opening Set

Not every set has to be at 145 BPM or higher. This is an opening minimal tech house set that has a melodic house ending
